Project request number	133/2021			Date:	21/10/2021		
Project Name	Capacity building of Psychiatrists at Ministry of Health- Gaza Strip				Applicant for the project	Ministry of Health	
Project Duration in months	5 years	Type of project			*	Within the strategic plan	
						Urgent	
Project Field		Construction		Rehabilitation		Machines & Equipment	Therapeutic Services
		Consumables & Drugs		Training and Scholarship		Operational Expenses	Others (.....)
Implementation Body	Ministry of Health			Partners			
Beneficiaries	Physicians at MOH			Place of implementation		Hospitals & Primary Health Care Centers	
Estimated Budget (USD)	470,000 \$						
Summary of project (overview of the project idea and requirements)	<p>The idea of project concerns on improving and developing the professional levels of psychiatrists at Ministry of Health, Gaza Strip with estimated cost approximately 470,000 dollars for five years. The department of mental health in Gaza Strip faces major challenges in the continuity of providing mental health services to all patients in Gaza Strip. According to WHO, 70% of patients go to primary health care centers suffer from psychological disorders such as stress, anxiety, fear, and others. So, it is important to train and develop capabilities of physicians at psychology field. In addition, establishment of treatment protocol policies and procedures manual to make psychological support to physicians, medical staff, patients, and their family especially oncological and renal failure patients at MOH, Gaza Strip.</p>						
Project justifications	<ul style="list-style-type: none"> • An increase in the number of psychiatric patients at health care centers and hospitals at the Ministry of Health, Gaza Strip. • Difficulty in diagnosis of psychiatric diseases at MOH, Gaza Strip. • Lack of mental health professionals especially in the field of highly qualified psychiatrists 						

<p>Project Objectives</p>	<p>The Main Objective: Improving the quality of health care and diagnostic services provided to psychological patients at the Ministry of Health- Gaza Strip.</p> <p>Specific Objectives:</p> <ul style="list-style-type: none"> • Develop capabilities of psychiatrists at MOH-Gaza Strip. • Establish treatment protocol policies and procedures manual by psychiatrists • Increase number of psychiatry subspecialties. 																																																																																																																																	
<p>Expected indicators after implement.</p>	<ul style="list-style-type: none"> • Increase number of professional psychiatrist equivalent to total population. • Increase quality of provided psychiatric services to the patients.
